for Water and Wastewater Treatment and Reuse

September 13–18 | Daegu, South Korea

### The 11<sup>th</sup> IWA Membrane Technology Conference & Exhibition (IWA MTC - 2025)

September 13-18, 2025, Daegu, South Korea

#### DESCRIPTION

---

IWA MTC 2025 is the 11th edition of the leading international conference on membrane technology for water and wastewater treatment. Bringing together over 400 experts from academia, research institutions, and industry, the event serves as a platform for discussing cutting-edge advancements in membrane processes, innovative materials, and sustainable water management solutions.

With keynote presentations, technical sessions, and networking opportunities, the conference fosters collaboration and knowledge exchange to drive progress in the field.

#### HOW TO SUBMIT

---

The authors are kindly invited to register at [our paper processing system](#) and submit their contribution (both original papers and reviews are welcome) using a special track established for this special issue: Section/Category – „IWA MTC - 2025”. We offer a **20% discount** to attendees of the conference in [Open Chemistry](#) by submitting proof of attendance in the cover letter. All manuscripts will undergo the standard peer-review process (single-blind, at least two independent reviewers) and will be treated in the

same way as other regular articles (indexing, abstracting, immediate publication, etc.). Instructions for authors are available [here](#).
